

2008 PIM Golf Outing

SPONSORSHIP OPPORTUNITIES

All sponsors receive recognition in the Golf program, *Graphic News* and on the PIM website. Several types of sponsorships are available.

Hole Sponsorship

\$200 and your company provides a prize valued at \$300 - \$500. You choose your hole contest (longest drive, etc.). Your company is assigned a hole on either the Platinum or Gold course (you will be called to discuss hole assignment). You may provide your own table/chairs and staff the hole so you can greet the golfers who are playing that course. A representative from your company will present the prize to the winning golfer during the program that evening.

Raffle Sponsorship

Your company donates a prize (\$75 minimum value) for the Raffle held to sponsor scholarships given by the PIM Education Foundation. PIM secures additional donations from restaurants and hotels for the Raffle prizes. A representative from your company will participate in the Raffle drawing.

Hospitality Sponsorship

\$200 and your company donates a gift for each golf participant (approx. 300) that is handed out in Hospitality bags during registration. The item may be a logo item for your company. Examples from past years include golf hats, can coolers, water bottles, golf balls and tees. Your company will be recognized during the program.

Hole-In-One Sponsor

\$200 and your company donates a prize for a par 3 Hole-In-One. Insurance can be arranged through PIM. Call Linda White at 651-789-5502
