

## Exhibitor Information

If your company would like to participate as an exhibitor in a **Regional STEM Summit** in your area, please contact Taylor Pettis 952.230.4560 or [tpettis@mhta.org](mailto:tpettis@mhta.org) with the information below.

*\*Make your booth as interactive as possible. Think about what kids are interested in (e.g. music, gaming, texting, iPods, cell phones, etc.) and tie their interests to your activities and talking points. Give-aways, contests and drawings for prizes will also help attract students to your exhibit area.*
